Dear Marty & Bobbie,

On behalf of myself and Friends Forever Rescue, I would like to thank you both for your outstanding job at the Second Annual Friends Forever Rescue Gala. The beautiful slide-show presentation of our benefactors and their pets added a truly unique touch to our event. Throughout the entire night the show was a poignant reminder of all those who work to make our organization a success and the animals that have inspired them. Your generosity and willingness to help in any way possible is just one of your many admirable traits. You both are a pleasure to work with and our organization is honored to call you friends.

We look forward to working again with you for upcoming fundraisers and events.

Sincerely,

Rita Schwartz
