Dear Marty,

The Cigna Health Care/Broward Community College Foundation's 20<sup>th</sup> Annual Golf Classic was a tremendous success this year, thanks in many ways to your company's involvement. We had a record number of golfers this year and raised more than \$125,000 for scholarships and programs at BCC.

Now in our 20<sup>th</sup> year, we were eager to make this event extra special for our sponsors and participants. The signage you provided was excellent, and our sponsors were thrilled with additional opportunities for exposure. In addition, our guests loved the photos and recognition they received on the big screen.

From an operations perspective, it was great to have your company handle all the signage, photography and scoring, allowing our volunteers to work on the auction and the other logistics needed throughout the tournament. We were so pleased with your services; you can expect our business again in 2008.

Sincerely,

A handwritten signature in blue ink, appearing to read "Nancy R. Botero".
